

Description of this quality wine:

This Cortese is clear and has a light golden yellow color in the glass with a beautiful shine.

After swirling, this Cortese has a fairly open nose, with floral and blossom aromas and is fresh-fruity with a hint of pleasant minerality

Thanks to the smooth, but fine acidity, the taste develops well. A medium body, white fruit, again that floral touch together with a nice aftertaste, creating a wine that is easy to drink.
