

Description of this quality wine:

 *This Cortese is clear and has a beautiful soft golden yellow color in the glass with a beautiful silver brightness.*

After swirling, this Cortese has a floral nose with subtle vanilla notes and is fresh-fruity with a pleasant minerality. Aromas of tropical fruit and agrum gradually emerge.

A surprising diversity of complex aromas, which gradually unfold more and more. Nice "round" and fruity. A soft and delicate wine with body due to the light spiciness and pleasant acidity.
